Data constraints

Taymor began collecting self-reported gender data in June 2026 and therefore any employee who worked in our fiscal year 2026 but left before we began collecting self-reported gender data is categorized as "unknown". The number of unknown gender assignments will greatly diminish in the next reporting period.

Explanatory notes

9. "Pay quartile" refers to the percentage of each gender within four equal sized groups based on their hourly pay.

* In accordance with the Pay Transparency Act and reporting rules designed to protect the anonymity and privacy of respondents, one or more gender categories has been excluded due to insufficient numbers to meet disclosure requirements.
