Egress
from the ordinary
The Taymor® Premier Interconnected Lock reinvents the aesthetic of unit entry door locks.

Modern design and curvaceous, soft lines are a distinct departure from standard commercial-style offerings.

SIMULTANEOUS RETRACTION

Single motion egress is simple: press the lever to unlock and open the door.

EASILY HARMONIZED

The unit entry door establishes the look; interior levers complement it with coordinated styles.

CONCEALED, STREAMLINED

Concealed screw mount creates a streamlined look.

INTERCHANGEABLE

With any Taymor. Premier Series lever.

CALIFORNIA STATE REFERENCE CODE

The Taymor® Premier Interconnected Lock with the new Premier Catana lever features a curved design that returns to within 1/2" of the door face.
